

LOCATION:

TMA Conference Center
1177 S. Dee Road
Park Ridge, IL 60068

- Find out how to
COMPETE WITH
and BEAT offshore
manufacturing
- Learn what OEMs really
want from U.S. suppliers
- Meet local manufacturers
who have benefited from

Learn how local production
and sourcing will:

- Improve your balance
sheet
- Make product innovation
more effective
- Reduce the TCO (Total
cost of Ownership) of
purchased parts and
tooling

SUPPLIER SEMINAR

BRINGING MANUFACTURING BACK TO AMERICA

FRIDAY, September 30

7:30AM - 11:30AM

The Midwest Reshoring Initiative helps level the playing field for American manufacturers competing against offshore suppliers. The initiative is an industry-led program designed to bring orders and jobs back to America.

The Midwest Reshoring Initiative has teamed up with TMA, the Association for Manufacturing Excellence and the Illinois Manufacturing Extension Center to create a special half-day seminar for suppliers and manufacturers to help them increase sales and bring jobs back home.

All participants will receive a FREE copy of the proprietary Total Cost of Ownership Estimator software, developed by Harry Moser, founder of the National Reshoring Initiative. For his innovative work, Mr. Moser was named to Industry Week magazine's Manufacturing Hall of Fame in 2010.

Registration & Information: www.midwestreshoring.org

COSTS:

\$49: Members of AME, TMA, and IMEC clients: use discount code "member"

\$69: Other suppliers: use discount code "supplier"

\$99: Non-suppliers and consultants

TAKE YOUR BUSINESS FROM STRIVING TO THRIVING!

Program supporters: AME, IMEC, TMA, MEDUSA Consulting Group, Inc., Midwest Reshoring Initiative, National Reshoring Initiative, Schaumburg CED and the Illinois WorkNet Center,
Northern Cook County.
